

Leeds and Mid Yorkshire
Diabetic Eye Screening Programme

Diabetes is the second largest cause of preventable blindness in adults, so don't lose sight of your screening appointment and miss the wonders of the world

From 1st April 2023, the Leeds and Mid Yorkshire Diabetic Eye Screening Programme will be provided by InHealth Intelligence Ltd.

If you use this service, you will be invited to your next screening appointment. You do not need to do anything.

Your screening records will be securely transferred to InHealth Intelligence Ltd. This will be supported by NHS England North East and Yorkshire to ensure that your individual data and screening history is held securely and only accessible by the healthcare professionals directly involved in your care.
